

Leather Repair
Company

Stain Removal.

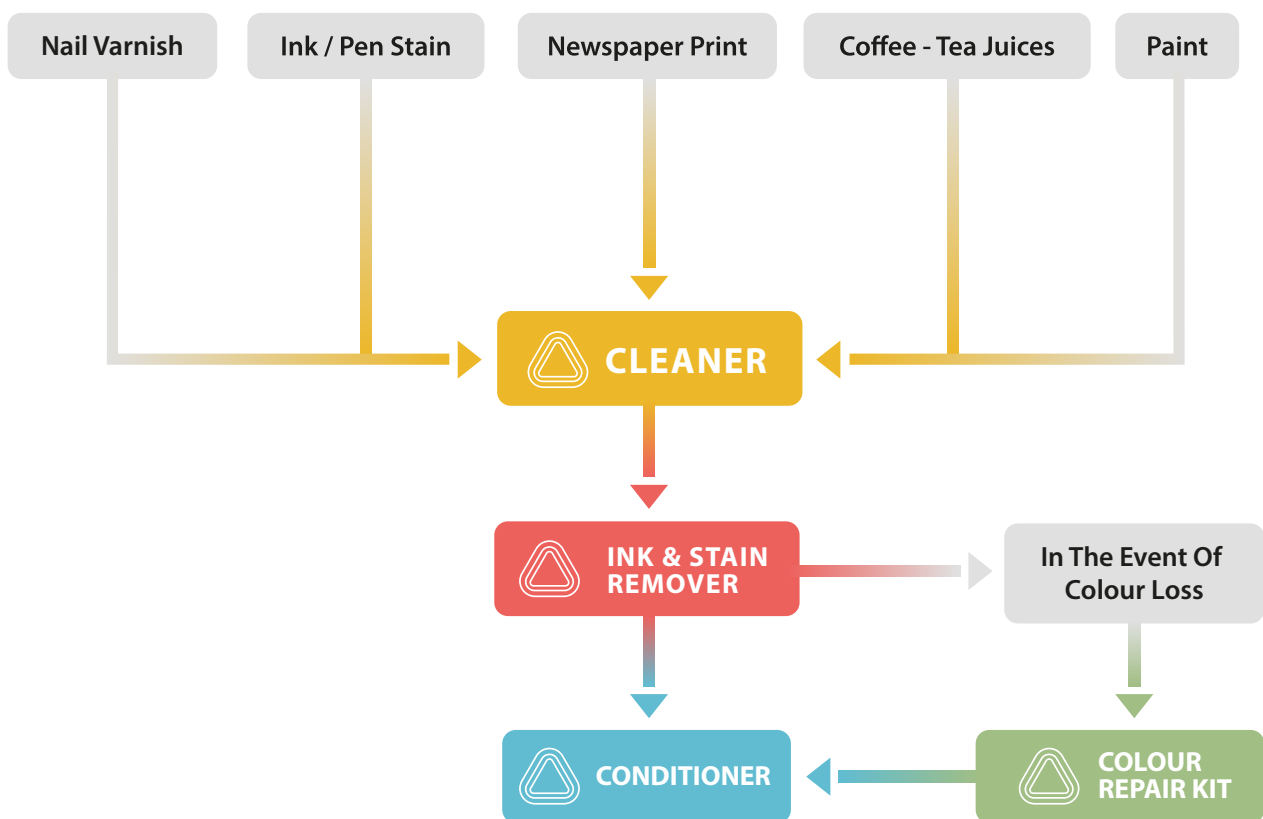

Our Stain Removal Charts.

Using our handy Stain Removal Charts you will learn how to better tackle the problems you may have with your leather, from colour loss to heavily soiled leather. If at any time you feel that you may need further assistance please use the Contact Us page on our website leatherrepaircompany.com and a member of our team will happily assist you.

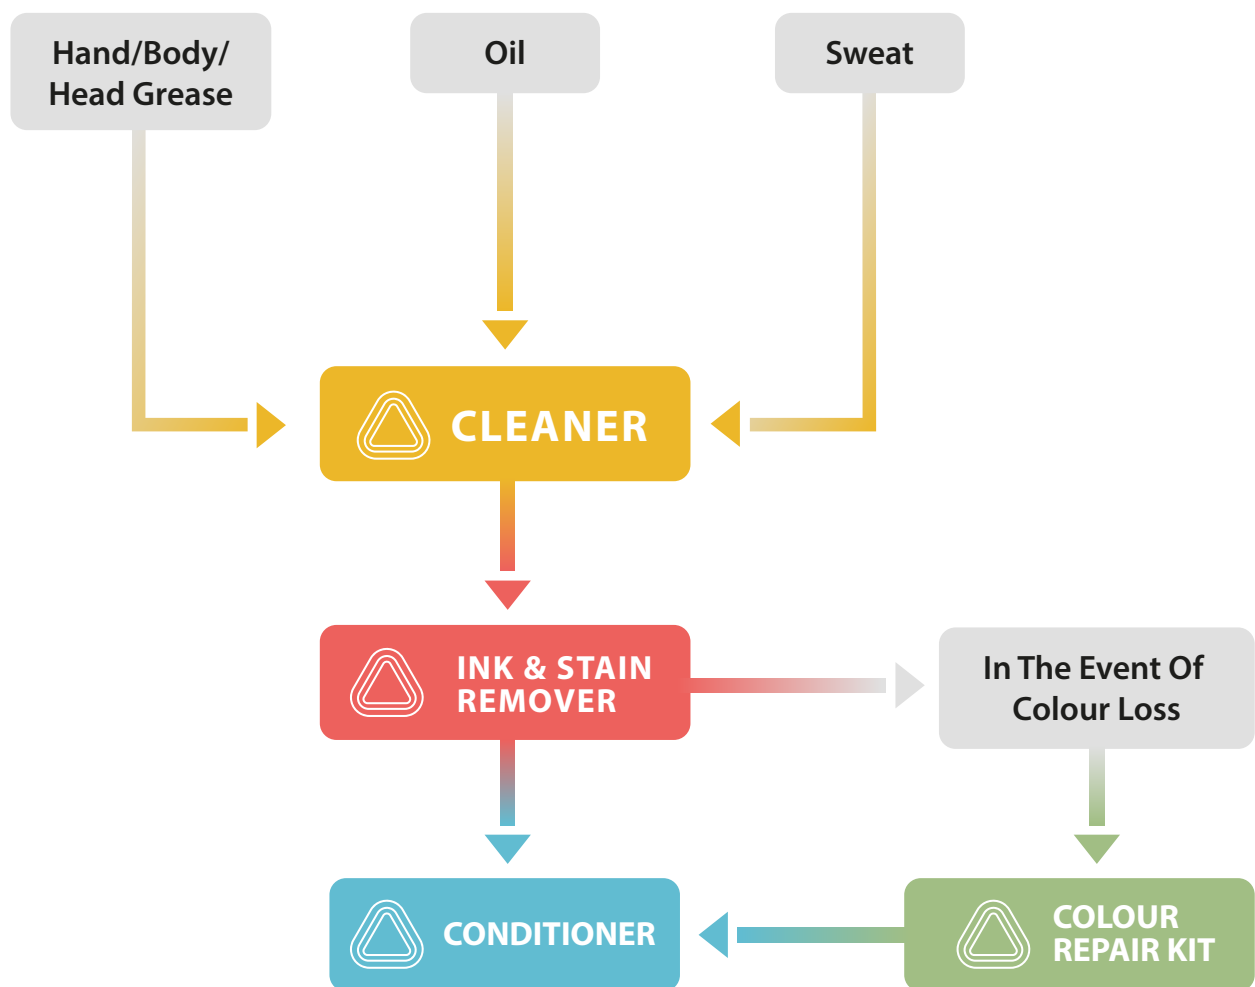

Please follow the instructions shown on our products when using a Leather Repair Company product. If at any time you feel as though you may need further assistance please use the Contact Us form found on our website (leatherrepaircompany.com) alternatively email a member of our team at help@leatherrepaircompany.com
